

The 'LIGHT or LUMINOUS MYSTERIES', A Nefarious Addition to A SACRED DEVOTION

OUR BLESSED MOTHER GIVING THE ROSARY TO ST. DOMINIC

THE IMMACULATE CONCEPTION and
The Fifteen Mysteries of The Holy Rosary

HISTORY of THE HOLY ROSARY

The **Three Standard Mysteries** of The Most Holy Rosary, the heavenly gift of roses – The **Joyful, Sorrowful and Glorious** Mysteries were traditionally used since the time of its inception as given by Our Blessed Virgin Mother to St. Dominic in Prouille, France in 1208. The claim of place and time are most strongly supported by the tradition of the **Dominican Order**. Pope Leo XIII affirmed over and over the Dominican origin of the Rosary and in a letter to the Bishop of Carcassonne (1889), he accepts the tradition of Prouille as the place where the Blessed Virgin Mary appeared to St. Dominic, revealing this devotion. The tradition that Mary first revealed the Rosary devotion to St. Dominic is supported by 13 popes (from 'St. Dominic and The Rosary' by Robert Feeney).

This historical fact is brought up to dispel the claims of the 'liberal, progressive and modernist' Catholics who come up with their different versions of the origin of the Holy Rosary devotion. Like those who believe only when they see what they want; they do not see any solid, concrete evidence, i.e. paintings, sketches, etc. of the event. They believe in "a picture is worth a thousand words". Since they could not see what they are looking for with their eyes, then they surmise and hypothecate on the origins of the Holy Rosary. Some even credit a Mideast religion for the origin of the holy beads. Now we know why the present leaders of our Church have gone astray. Roman Catholic Tradition, which is without too much "black and white", visible, concrete evidence, is something they could not believe in because their eyes could not see it. **They do not have faith**, the theological faith that comes from God alone. *"For we walk by faith, and not by sight."* (2 Corinthians 5:7)

ORIGIN OF THE 'LIGHT or LUMINOUS MYSTERY'

A Vatican II conciliar pope, John Paul II (JPII) introduced in October 2002 a new mystery called the '**Light Mystery or Luminous Mystery**' in addition to those originally handed down to St. Dominic by Our Lady. The sophistry of his explanation in adding the new set of mystery had the world believing in his 'devotion' to the Holy Rosary. His explanation was that there is a 'gap' in the coverage of the life of Jesus in the original Three Standard Mysteries, notwithstanding the fact that the original mysteries are commensurate to the number of

the Old Testament Psalms. Even before the formal introduction of this new mystery, the author had already seen the diabolical twist that he was introducing, because the proposed mystery he 'floated'¹ around the world in the late 1990's before the actual introduction of his 'Light Mystery or Luminous Mystery' were similar to those meditations written by St. Louis De Montfort for the Fifth Joyful Mystery. The author had used these meditations for years before the 'floating' of the proposed 'Light Mystery or Luminous Mystery'. This we will show later in this treatise.

THE 150 PSALMS OF DAVID = THE 150 HAIL MARYS OF THE ORIGINAL MYSTERIES

The rosary is the embodiment of the Psalms of King David of the Old Testament, of which there are 150 Psalms. As the universe with all its trillions of stars and galaxies are fixed in number together with the fixed volume of water and air on earth and will remain unchangeable till the end of time according to God's creative design, so are the number of Psalms is fixed at 150 forever according to His salvific plan.

The 150 Psalms are widely accepted as the veiled prophecies of the lives of Jesus and Mary, which the Rosary also signifies. Jesus noted this to His disciples on the road to Emmaus: *"And beginning at Moses and all the prophets, He expounded to them in all the Scriptures, the things that were concerning Him."* (Luke 24:27)

The number 150 corresponds to the 150 Hail Marys of these Three Original Mysteries (10 Hail Marys per mystery X 15 mysteries) = 150. There being Three Persons in The Divine Unity, the number of Psalms/Hail Marys are easily apportioned to The Holy Trinity in a whole number [$150 \div 3$ (corresponding to The Three Persons of The Holy Trinity) = 50].

The introduction of the new mystery, the so-called 'Light Mystery or Luminous Mystery', is inappropriate, because the number of the Hail Marys would increase to 200, which when divided by the same number 3, would give us an infinitesimal quotient of the number, $66.666... = (200 \div 3)$. This number is the same number ascribed to the 'beast' in the Book of Revelations (Apocalypse) 13:18; thus the addition and recitation of the Light Mysteries is a direct affront to God by also honoring the 'beast', i.e. the Anti-Christ!

JPII by equating himself to the Mother of God, the origin and giver of the Holy Rosary, revealed extreme malfeasance in his duties.

THE BLESSED VIRGIN IS SECOND ONLY TO GOD, IN HOLINESS, POWER AND GLORY

It is widely accepted by all theologians that all the holiness of all saints and angels combined could not come close to the holiness of the Great Mother of God. All the choirs of angels and all the saints in heaven serve their Queen, our Blessed Mother. She is second in power only to the Blessed Trinity. In the hierarchical order of things, in Heaven and on earth, the pope is lesser than anyone in heaven. Since everyone serves the Queen, he could only but serve her also not equate himself to her at all. Who is he to add to the heavenly designs of this devotion? *"The servant can not be greater than his master!"* (John 15:20)

As St. Michael cried out in his battle with Lucifer, "Who is like unto God!?" then, by the power of God, threw out Lucifer into the deepest recesses of hell; we, also cry out, "Who is like unto the Mother of God?"; "Who is holy enough to supplant her works!?" Except for God, nobody but nobody!

¹ 'Floated' meaning John Paul II issued several press releases or 'trial balloons' on his intentions of adding on the original mysteries of our Blessed Mother. When no outcries were heard, he issued his plagiarisms. Floating is a typical move by the modernists Signatura; just like the abolition of Limbo as a place for unbaptized children. The successor, Benedict XVI, 'floated' the idea that Limbo was never in the Canon of the Catholic Church several months after his ascendancy to the papacy. When no one was loud enough to object, he issued his dictum. Now, babies are not baptized early or not at all in the concept that babies should go to heaven because they have not sinned, according to Benedict XVI. As if God is obligated to change His rule! How many babies now die without the Sacrament of Baptism and could not go to heaven because of this! For all eternity, they are deprived of seeing the face of God by the abolition of an unproclaimed dogma! He definitely has endangered Catholic's salvation together with his own soul!

THE HERETICAL² TEACHINGS OF THE VATICAN II CONCILIAR POPES

The holiness of this pope has been questioned by many. In fact, his supposed canonization has been greatly condemned by scholars and Traditional clergy who knew of his past actions, teachings and belief.³ JP II's actions in initiating and promoting a new set of rosary mystery is dubious, and similar to his preaching that other religions are 'good' enough as the Roman Catholic Church, in bringing us all to God. Thus, he lowered the Divinity of his God and Master, Who established the only true and faithful Church on earth, to the level of the false prophets whom Jesus, Himself, warned us in Matthew 7:15, 24:11 and 24:24.

This equalization of all religions with the Roman Catholic Church falls under INDIFFERENTISM - a grave heresy and a mortal sin; for it insults the Lord Jesus Christ, His salvific works, especially the establishment of His One, True Apostolic Church and His Supreme Divinity! To His Supreme Divinity, because He becomes no different than the eternally damned creatures who try to imitate His works and lead them away from heaven!

By the way, INDIFFERENTISM is no longer even mentioned in the Novus Ordo (NO) Catholic Church in deference by the Vatican II Council to the other religions. They would rather insult Jesus than offend the heretics and pagans! Human respect is now paramount over the divinity of God!

A LARCENY BY JOHN PAUL II OF THE LITERARY KIND

Finally, the five mysteries of the Light Mystery were nothing more than a plagiarism, which is the literary or intellectual theft of another person's work. He took five of the ten meditations on the Fifth Joyful Mystery of the booklet, 'How to Say Your Rosary with St. Louis Di Montfort', Montfort Publications, Bay Shore, NY to put together his Light Mysteries.

Let us review the literary theft of JP II. The Fifth Joyful Mystery in that booklet reads as follows:

5. THE FINDING OF OUR LORD IN THE TEMPLE

The Wisdom of God – Infinite

We offer Thee, O Lord Jesus, this decade in honor of Mary's finding Thee in the Temple, and we ask of Thee, through this mystery and through her intercession, the gift of true wisdom. Amen. Our Father...

Meditations

(The Hail Mary is said after each meditation)

1. To honor His hidden life, laborious and obedient in His home at Nazareth.
2. To honor His preaching and His being found in the Temple among the doctors.
3. To honor His baptism by St. John the Baptist.
4. To honor His fast and temptation in the desert.
5. To honor His astonishing miracles.
6. To honor His admirable preaching.
7. To honor the choice of His twelve Apostles and the powers He gives them.
8. To honor His marvelous Transfiguration.
9. To honor the washing the feet of the Apostles.
10. To honor His institution of the Holy Eucharist.

May the grace of the mystery of the Finding of our Lord in the temple come down into our souls. Amen. Glory be....

²From 'heresy' – the mortal sin of not accepting all the teachings of the Traditional Roman Catholic Church from the time of St. Peter to 1958, the year of the death of Pope Pius XII, the last true pope of the Church.

³The web site, www.modtholyfamilymonastery.com is just one of those Traditional Catholic websites who had shown the questionable works of this and the other Vatican II conciliar popes. Though some of their diatribes are very vitriolic; the truths of their documented facts and evidences are all shocking to the soul. Other Traditional Catholic web sites who question the spiritual integrity and leadership of this man are: <http://sedevacantist.com/wojtyla.htm>, <http://www.traditionalmass.org/articles/article.php?id=29&catname=5>, <http://www.patrickpollock.com/101heresiesjp2.html>, etc.

Pray with earnest for the Holy Ghost to guide us in these spiritually confusing times that we may know the true path to God. God, in His salvific plan, has allowed all these evil events to happen. Only He could make something good out of evil! He is sifting those souls who would be His and His alone.

We highlighted five beads above, nos. 3, 5, 6, 8 and 10. Looking at the comparison chart below, these five beads' meditations and the description for **each** of the mystery of **The Light Mysteries** are essentially **one and the same**.

MEDITATIONS ON THE FIFTH JOYFUL MYSTERY	THE LUMINOUS MYSTERIES

5. TO HONOR HIS ASTONISHING MIRACLES .	2. THE WEDDING OF CANA – THE FIRST MIRACLE OF JESUS SIGNALING THE START OF HIS PUBLIC LIFE.

8. TO HONOR HIS MARVELOUS TRANSFIGURATION .	4. THE TRANSFIGURATION
10. TO HONOR HIS INSTITUTION OF THE HOLY EUCCHARIST IN THE LAST SUPPER.	5. THE INSTITUTION OF THE EUCCHARIST

In the world of literature and journalism, **plagiarism is highly condemned and leads to the professional dishonor and loss of respect** for the plagiarist in the literary world. In most instances, they are **banned and banished forever in the literary world**. JP II escaped unscathed because he has the 'pope' title before his name!

THE CELESTIALLY BANISHED 'Angel of Light' and The 'Light Mystery'

Based on these facts, the origin of this new **Light Mystery** would have to come from **the one whose light shiniest the most** before his banishment from heaven when he challenged his Creator. He used to be called '**the angel of light**'. His name is **Lucifer or Satan**. He, who always thinks he is greater than God and the brighter light, always like to usurp God's divinity and insult Him too. In subterfuge, his cohorts change the name of the new mystery from '**Light**' to '**Luminous**' to avoid the obvious!

Just like all the nefarious changes instituted by Vatican II to the Liturgy, Sacraments, Dogmas, Doctrines, Canons, Catechism of the Traditional Catholic Church, this new addition to the Psalter of Our Blessed Mother by JP II and his cohorts is also **nefarious in its content and intent**.

Therefore, I am recommending to all Rosary devotees and to my family, friends and loved ones **the recitation of the original THREE MYSTERIES ONLY!**

BY THE GRACE OF, AND IN THE NAME OF THE GREAT ALMIGHTY GOD, THE ONE, TRUE-EVERLIVING GOD, let us join with one voice and shout:

"We will not participate in this evil exercise of insulting God by the recitation of these plagiarized and pernicious mysteries!"
