

## SAVE THE U.S.A. - PRAY THE ROSARY EACH DAY

The emergence of violent and destructive rioting has exacerbated the worsening economic situation of every family in this nation. As if the covid-19 shutdown is not enough, the freedom to walk around and engage in one's personal ventures is handcuffed by the fear of violence in the hands of rioters, given free reign to destroy every established institution, church and monument. It seems that our country is doomed to ruin in the hands of these liberal leaders, media and controlled followers.

How do we stop this? How do we save this beautiful country from the riotous, murderous hordes roaming the streets and our TV screens? **By The Rosary, the most powerful prayer outside of The Holy Sacrifice of The Mass.**

In times of distress, chaos and confusion, the Blessed Virgin Mary has historically shown her intercessory power when called upon by her children through the Holy Rosary. There were many instances wherein, when hope is all lost and against all odds, she comes through with miraculous triumph for her children.

### HOW POWERFUL IS OUR BLESSED MOTHER'S HOLY ROSARY?

In factual history, here are some notable instances where the Holy Rosary saved nations, continents and people:

1. The Holy Rosary was originally given by our Blessed Mother to St. Dominic in 1214 for the specific purpose of defeating the Albigensian heresy, which it did. It also brought about the return to the true faith of those who were deceived.<sup>1</sup>
2. In 1571, Christian Europe was saved at the Battle of Lepanto when Pope St. Pius V got Catholics to pray the Rosary to beg our Blessed Mother's help for victory against the much larger and well-equipped Turkish fleet.<sup>2</sup>
3. In 1646, Manila Bay, Philippines, a small flotilla of Spanish and Filipino sailors defeated the more numerous and modern Dutch fleet while the Catholic masses prayed the Holy Rosary before the image of *Our Lady of the Most Holy Rosary of La Naval of Manila*. The victory saved the Philippines from being a Dutch Protestant colony.<sup>3</sup> The La

<sup>3</sup> <https://aleteia.org/2019/11/09/how-our-lady-of-the-rosary-rescued-the-philippines/>

Naval Feast coincides with the Feast of the Holy Rosary, the first Sunday of each October. The procession usually lasts for almost four hours.

4. In 1945, the first atom bomb was dropped on Hiroshima, Japan. A group of eight priests were saying the Holy Rosary about a half mile from ground zero. Their house was not even destroyed *nor were they bothered or harmed by the blast* - the heat more than 100 million degrees Celsius, the sound wave that pulverized every building several miles from the drop zone and the radiation that would have burned every cell of their bodies or later would cause a slow death due to the effects of such exposure. A few weeks later, another bomb was dropped on Nagasaki, *the priests of the Franciscan Friary in that city also survived.*<sup>4</sup>
5. In 1955, by the *Rosary Crusade of Reparation*, Austria gained independence from the occupying Soviet Army, without a shot fired nor blood shed.<sup>5</sup>
6. In 1962, a group of women decided to put their faith on our Blessed Mother and her Rosary to stop Brazil from being converted to Communism by the socialist president. By the increasing number of Rosary rallies and procession, the socialist president gave up in 1964.<sup>6</sup>
7. In 1986, the dictator Ferdinand Marcos was deposed by thousands of priests, nuns and civilians marching and praying the Holy Rosary in defense of the rebel leaders cornered in a military camp. The rebel leaders started a coup d'etat because Marcos lost the election to Corazon Aquino but cheatingly changed the election results to remain in power. This demonstration featured two miraculous events.

In the first event, helicopter gunships were sent to destroy the camp and eliminate the demonstrations. But the leader of the helicopter squadron attests to the fact that once airborne, though it was a beautiful sunny day, the sky became so thick with clouds with almost zero visibility that they had to turn back. Each time they landed the sky became clear. But once they reached cruising altitude, the clouds returned. After several attempts they abandoned the idea of flying again. They realized something was stopping them from attacking the camp. Being Catholics, they decided that they will not fight God at all.

The second event is the confrontation between the crowd and the tanks and armored vehicles loyal to Marcos. At the junction of the major intersection, the leader of the armored troops attest that a beautiful fair complexioned lady wearing a blue nun's robes was leading the demonstrators and ran to confront the tanks by herself. According to the commander, the lady said, "Stop, do not hurt my children!" Then the nun disappeared. The commander realized it was the Virgin Mary who talked to them and told his troops to disembark and just join the protesters because the Mother of God is there to protect the people from Marcos. Marcos left the country shortly thereafter and went to exile in Hawaii, taking with him the Philippine treasury coffers.<sup>7</sup>

If the people of Brazil were saved by our Blessed Mother, why not turn to her too so that we could be saved from these waves of anarchists, communists, liberals, modernists and progressives hell bent on bringing this country to dust, destruction and paganism.

If our Blessed Mother came and protected the people of the Philippines from tanks and helicopter gunships, why not turn to her through the Holy Rosary?

To those who pray the Holy Rosary for peace and the return to God by this country, there will be other benefits that you would gain by practicing this sacred devotion daily. Our Blessed Mother gave these **15 Promises**<sup>8</sup> to those who devoutly pray the Holy Rosary daily.

1. Whosoever shall faithfully serve me by the recitation of the Rosary **shall receive signal graces**. (A signal grace may be a simple sign in daily life that answers a question made in prayer or points towards God's will. For example, seeing a rose after finishing a novena to St. Therese of Lisieux could be considered a signal grace. Signal graces are often subtle or seemingly coincidental.)
2. I promise my special protection and the greatest graces to all those who shall recite the Rosary.
3. The Rosary shall be a powerful armor against Hell, it will destroy vice, decrease sin and defeat heresies.
4. It will **cause good works to flourish**; it will **obtain for souls the abundant mercy of God**; it will **withdraw the hearts of men from the love of the world and its vanities**, and will lift them to the desire for **Eternal things**. Oh, that **souls would sanctify themselves** by this means!
5. The soul which recommends itself to me by the recitation of the Rosary **shall not perish**. (The devotee will not go to Hell!)
6. Whosoever shall recite the Rosary devoutly, applying himself to the consideration of its Sacred Mysteries, **shall never be conquered by misfortune**. God **will not chastise him** in His justice, he **shall not perish by an unprovided death**; if he be just, **he shall remain in the grace of God, and become worthy of Eternal Life**. [An unprovided death means dying while not in a state of grace (that is, in dying with unconfessed mortal sin in the soul). The Blessed Mother promises that anyone who regularly prays the Rosary, and earnestly tries to live according to God's will, will be spiritually prepared when their time of death comes.]
7. Whoever shall have a true devotion for the Rosary **shall not die without the Sacraments of the Church**. (Our Lady ensures that the soul will receive sanctifying grace through the Sacraments prior to its departure from the body.)
8. Those who are faithful to recite the Rosary shall have during their life and at their death the **Light of God and the plenitude of His Graces**; at the moment of death they **shall participate in the Merits of the Saints in Paradise**.
9. I shall **deliver from Purgatory** those who have been devoted to the Rosary.
10. The faithful children of the Rosary **shall merit a high degree of glory in Heaven**.

---

<sup>8</sup> Catholiccompany.com

11. You **shall obtain all you ask of me** by recitation of the Rosary.
12. All those who propagate the Holy Rosary **shall be aided by me in their necessities.**
13. I have obtained from my Divine Son that all the advocates of the Rosary **shall have for intercessors the entire Celestial Court during their life and at the hour of death.**
14. All who recite the Rosary **are my Sons, and brothers of my Only Son Jesus Christ.**
15. Devotion to my Rosary is **a great sign of predestination.** [By this the Blessed Mother means that a devotion to the Rosary is a good indication that the devotee is on the path to Heaven.]

### **How Does One Pray the Holy Rosary Devoutly?**

One has to always remember that good things and actions could only come from God and His grace.

First, one has to ask God to grant him/her **the love of God and of prayer.** These two always come together. Since God grants nothing except by prayer, then follow this efficacious prayer by Fr. Muller: **Jesus, for the sake of all Thy sufferings, grant to me and to all here present such faith, hope, charity, sorrow for sins and love of prayer to help sanctify and save our souls.** (Do this before each prayer, and Jesus will give you all, especially the love of prayer, that you do not even know how long you have been praying.)

Second, the Holy Rosary, as taught and practiced by the saints, is both **vocal and mental prayer.** Vocal, when one recites the words of the prayer; mental, one meditates on the event commemorated in the mystery being recalled. So the Holy Rosary would not be one of those speed reading contests or like listening to the auctioneer in the auction houses. This is difficult to do, initially, but practice makes perfect.

Follow the rule of '21'. This rule states that a certain action or thought repeated continuously for 21 days, makes these actions or thoughts to be subliminally embedded in one's consciousness that it becomes a habit. Also, by reciting the Holy Rosary with veneration and fervor, any observer or listener would be inclined to follow your good example.

One example of this was the 2002 Good Friday procession in the Christ the King Catholic Church in Veteran's Village in Quezon City. This person was asked to lead the Holy Rosary at one section of the procession. Each section has an image of a saint or the Blessed Mother or Jesus the Nazarene. Whilst the local leaders were heard in prior situations praying the Holy Rosary as if trying to beat the clock, he advised them that he says the Holy Rosary differently and with some other additional prayers. They agreed for him to lead the Holy Rosary the way he has done so for years. So he did. When the procession ended, they were only able to pray two of the three Mysteries of the Holy Rosary. But the big surprise came the day after the procession. Before the Easter Vigil, the Holy Rosary was recited. When they do so inside the church, the prayer leader could be heard through the public broadcast system almost throughout the village itself. This person was surprised to hear the leader recite the Rosary the way he did the previous day. Henceforth, every Rosary broadcast aired was said slowly and devoutly, which brings music to the ears of one hearing them.

So let us assemble our loved ones now that we are home together and pray the Holy Rosary together. Get blessed Rosaries from Traditional Catholic Churches not from the Novus Ordo (NO) Churches. Make a makeshift altar in an appropriate place in your homes where you could pray the Rosary each day. Make sure you make an intention for the Rosary.

I have had computer problems for the last four months so I just copied my Evening Prayers and posted it on The Lord of Pardon website. Click this link or paste it in your browser: <https://lordofpardon.files.wordpress.com/2020/10/evening-prayers-from-book-of-prayers-pp.-126-158.pdf>.

It was set up to help anyone pray the Holy Rosary properly and with good intentions. You must always add your own intentions.

God loves long requests because you are acknowledging Him to be the Only One Who could help you and take care of you. St. Mary Magdalen de Pazzi stated that God is always grateful when one acknowledges as God and prays humbly to Him. In human terms, when a person is grateful to another person, he actually gives more of what is asked for. So remember, God is watching and waiting to hear from you so He could give you what is good for you.

May The Lord of Pardon bless and keep us all safe in these tremulous times.
