

The 'WOKE' 2024 Paris Olympics and Its Blasphemy

THE LAST SUPPER OF OUR LORD JESUS CHRIST

The 2024 Paris Olympics is now drawing to a close with a few events remaining in its calendar before the final lowering of the curtains on Sunday, August 11, 2024. For diehard sports fans the sporting contests brought tons of excitement and joy for the victorious teams and conversely, sadness to the losing ones.

But one thing still stands out of this Olympics and that is **the brazen blasphemous parody** of **The Last Supper of Our Lord Jesus Christ** before His passion and death. The organizers of the event, with tongue in cheek, explained that it was supposed to be a Dionysian sort of comedy but true Catholics and Christians alike know better. This blasphemy was written about by the Tradition in Action (TIA) Organization and they did a good job of divulging the true content of this opening ceremony.¹

This treatise is written not to add on to what the TIA has written but to what might

¹ <https://traditioninaction.org/RevolutionPhotos/B098-Oly.htm>

be the **consequences** if this blasphemous parody of the opening ceremony is exacerbated by another **more blasphemous parody** in the closing ceremony tomorrow.

The saving grace for the world is that **only 29 million viewers** watched the opening ceremony; but the sad thing is they would be showing the opening ceremony **over and over again**. Throughout the history of man's viewership of different movies and TV shows, **the subliminal message of homosexuality, lesbianism, perversity and eventually 'Woke'** has been insidiously injected to the innocent minds. The repetitive showing of this Paris Olympic history has the same **ulterior motive**.

The other fortunate thing these wicked organizers did is that they attacked Our Lord Jesus only, and **not** the Blessed Virgin Mary, our Mother. A respectful, obedient, loving son would never allow any affront to his mother **without proper retribution**. In my old home country, **many homicides** were committed **in defense** of the honor of a maladicted mother by a loving son.

Our Lord Jesus Christ is no different than an ordinary man in this regard. This was evidenced by the cataclysmic Indian Ocean earthquake and tsunami of December 26, 2004 that killed almost three hundred thousand people from Indonesia, Thailand, India and other countries bordering that sea of water. This heavenly punishment was preceded by **the sacrilegious and blasphemous treatment** of Our Lady of Fatima on her **feast day of May 13, 2004**.

WHAT WAS THE SACRILEGE AGAINST OUR LADY OF FATIMA ON MAY 13, 2004

The **June 2004** issue of **The Fatima Crusader**, exposed **this sacrilege and insult** to our Blessed Mother. This magazine is periodically published by The Fatima Center led by the late Fr. Nicholas Gruner (May 4, 1942 – April 29, 2015). Its main purpose is to spread the message of Our Lady of Fatima and **expose** the various **malevolent Vatican forces opposed** to her message and continued request for the **"Total consecration of the world to her Immaculate Heart to be done at the same time in all Catholic dioceses around the world."**

In that June 2004 issue, photos showed icons of **the Hindu gods and goddesses, together with Buddha and other implements, associated with the other religions in the world on the same altar** as Our Lady of Fatima in an ecumenical service **on her feast day**. The Scriptures have always taught that **“For all the gods of the Gentiles are devils: but the Lord made the heavens. (Psalms 95:5)**

The author of the June 2004 article decried the desecration of Our Blessed Mother's earthly domain in Fatima. Once I saw these horrible pictures, I told my spouse that **“They will die!** A loving son would not allow these vicious insults to his mother without retribution. **Those wicked people are asking for it!”** My wife was surprised and I told her, “Jesus is a loving Son Who could **accept and tolerate** injury to Himself but to His Mother - that is another story. When the wrath of God issues, death usually comes with such violence and force that there will be no doubt as to where it came from and why.”

So the Indian Ocean earthquake with 9.4 intensity occurred on **December 26, 2004**, the day **after His birthday** of December 25, 2004. **To let us know where it came from.** Not on His birthday for **it has to be always remembered in solemnity and joy not in disaster and death**, but the day after. If one has to look closely, the casualties were mostly from the Hindu, Muslim and Buddhist countries. The engineering involved to create such a precise humongous earth and water movement inflicting death and destruction of massive scale could only be done by the Creator Himself.

So let us hope these wicked deviates of the Paris Olympic Committee would not even attempt to insult Our Blessed Mother on the closing ceremonies tomorrow lest something similar to the Indian Ocean calamity of 2004 be replicated on mankind again.

GOING BACK to the blasphemous parody of the Last Supper this travesty is the continuation of the **‘abomination of desolation’** described by Our Lord in **Matthew 24:15-35**, **“When therefore you shall see the abomination of desolation, which was spoken of by Daniel the prophet, standing in the holy place: he that readeth let him**

understand. Then they that are in Judea, let them flee to the mountains: And he that is on the housetop, let him not come down to take any thing out of his house: And he that is in the field, let him not go back to take his coat. **And woe to them that are with child, and that give suck in those days.** But pray that your flight be not in the winter, or on the sabbath. For there shall be then great tribulation, such as hath not been from the beginning of the world until now, neither shall be. And unless those days had been shortened, no flesh should be saved: but for the sake of the elect those days shall be shortened. Then if any man shall say to you: Lo here is Christ, or there, do not believe him. For there shall arise false Christs and false prophets, and shall shew great signs and wonders, insomuch as to deceive (if possible) even the elect. Behold I have told it to you, beforehand. If therefore they shall say to you: Behold he is in the desert, go ye not out: Behold he is in the closets, believe it not. For as lightning cometh out of the east, and appeareth even into the west: so shall the coming of the Son of man be. Wheresoever the body shall be, there shall the eagles also be gathered together. And immediately after the tribulation of those days, the sun shall be darkened and the moon shall not give her light, and the stars shall fall from heaven, and the powers of heaven shall be moved: And then shall appear the sign of the Son of man in heaven: and then shall all tribes of the earth mourn: and they shall see the Son of man coming in the clouds of heaven with much power and majesty. And he shall send his angels with a trumpet, and a great voice: and they shall gather together his elect from the four winds, from the farthest parts of the heavens to the utmost bounds of them. And from the fig tree learn a parable: When the branch thereof is now tender, and the leaves come forth, you know that summer is nigh. So you also, when you shall see all these things, know ye that it is nigh, even at the doors. Amen I say to you, that this generation shall not pass, till all these things be done. Heaven and earth shall pass, but my words shall not pass.”

The **‘abomination of desolation’** is the demolition of the **Holy Sacrifice of the Mass** and its replacement by a modern service, the **Novus Ordo (N.O.) Mass** initiated by the Vatican II Council of 1962. The majority of present day Catholics (almost 90%) go to these Protestant-like services every Sunday. Some of them are unaware of its nature.

The removal of the TLM for decades brought about all the physical, mental, spiritual, health, peace and order problems of our times.

THE LAST SUPPER, THE HOLY SACRIFICE OF THE MASS, THE TRADITIONAL LATIN MASS

The Last Supper is the Holy Sacrifice of the Mass and the first unbloody sacrifice, prophesied by the prophet Malachi, 'For from the rising of the sun even to the going down, My name is great among the Gentiles, and in every place there is sacrifice, and there is offered to My name a clean oblation: for My name is great among the Gentiles, saith the Lord of hosts.' (Malachi 1:11) The clean oblation noted herein has been taught by the ancient Church fathers as 'the Precious Body and Blood of Christ' in the Eucharistic Sacrifice of the Holy Mass. This is the same Precious Body and Blood of Thy Divine Son, Jesus, which on the night before His Passion, He gave as meat and drink to His Beloved Apostles and bequeathed to His Holy Church to be the perpetual Sacrifice and life-giving nourishment of His faithful people.

The Eucharistic Prayer at this Mass includes the words Our Lord Jesus Christ spoke at the Last Supper, such as "This is My Body, which will be given up for you" and "This is the chalice of My Blood of the new and everlasting testament, the mystery of faith, which shall be shed unto the remission of sins. As often as ye shall do these things, ye shall do them in memory of Me." The Mass is the way to participate in Christ's ongoing offering to God for the sake of humanity.

Since Vatican II, this precious sacrifice was specifically named The Traditional Latin Mass (TLM) by conservative Catholics, called Trads, who would not subscribe to the demolition work of Vatican II and to differentiate it from the N.O. Mass. They only obey and follow the tenets and canons of the Catholic Church established prior to Vatican II. Presently, Bishops Mark Pavirunas, Charles McGuire, Rodrigo da Silva and their anointed bishops and clergy are trying to preserve the true and authentic TLM.

"And woe to them that are with child, and that give suck in those days." This brings to light the insidious confusion taught to children about gender change and

The 'Woke' Paris Olympic and Its Blasphemy

selection and various diseases introduced to mankind through vaccinations and unnecessary procedures that gave men many new diseases, especially mental illnesses of various types. Who would like to raise a child in these times wherein the village of child-rearers are liberals, modernists, progressives, homosexuals, lesbians, transgenders, idolaters, apostates, agnostics, atheists, etc.?

The **Abomination of desolation** introduced by Vatican II continues to this day with the disastrous preaching and actions of the Gargoyle of Argentina also known as Bergoglio, the present seater on the seat of St. Peter. This seater is more of a 'spitter'! Like the spitting cobra of Africa, he blinds you and confuses you with what he says and does. The master of this craft of confusion, blindfolding and brain-washing propaganda is Satan himself, their father.

The wicked deviates of the 2024 Paris Olympics **by insulting The Last Supper**, i.e. **Holy Sacrifice of the Mass** is making sure that the world understands that they have already triumphed and made man to the image of their father, Lucifer, with degenerate mental capacities and perverse abilities passionate to do immoral and wicked things.

Lest they go overboard and overdo themselves with more blasphemy and sacrilege against God, let them be forewarned that their ancient brothers of Sodom and Gomorrah have been decrying the **'unfair' treatment** they received then. They decry that their present-day siblings are worse than them in their attacks against God.

WHAT IS THE UNFAIR TREATMENT THAT SODOM AND GOMORRAH SUFFERED?

As we all know, the subject twin cities were destroyed during the time of Abraham and Lot for their evil, wicked ways. **'And He destroyed these cities, and all the country about, all the inhabitants of the cities, and all things that spring from the earth.'** (Genesis 19:25)

According to Scriptures, **'And the Lord rained upon Sodom and Gomorrah brimstone and fire from the Lord out of heaven.'** (Genesis 19:24) During ancient times any fire

coming down from the heavens was 'fire and brimstone.' But was this true of what happened to Sodom and Gomorrah? Maybe not!

THE FIRST NUCLEAR EXPLOSION NOT HIROSHIMA?

In 1998, during a discourse on Divine justice, the subject of Sodom and Gomorrah came up and this writer explained to the audience that this passage in the Scriptures changed his mind about the manner of destruction of the wicked cities. The passage states that the angels were hurrying up Lot and his family to abandon their abode immediately, **'And as he lingered, they took his hand, and the hand of his wife, and of his two daughters, because the Lord spared him. And they brought him forth, and set him without the city: and there they spoke to him, saying: Save thy life: look not back, neither stay thou in all the country about: but save thyself in the mountain, lest thou be also consumed.'** (Genesis 19:16, 17)

Saving oneself in the mountain **is not needed** when only fire and brimstone should fall on the two doomed cities, but **a nuclear explosion** with its accompanying **massive shockwave, blinding light, immense radiation, i.e. neutrons, gamma rays, alpha particles and electrons moving at speeds up to the speed of light**, would destroy anyone or anything within a certain dangerous radius based on the size of the explosive. Sodom and Gomorrah have been described as big metropolises, as big as New York. The nuclear device unleashed on these twin cities must have been massive for legend has it that the present day body of water, known as the Dead Sea was supposed to be where they used to stand. One person questioned, "But the atomic bomb was invented in 1942, this is not possible to happen thousands of years before it was invented." The reply was, "God created all things. All knowledge comes from Him. He already knows how man will make things in the future because **He knows them first** and just **shares His knowledge with men.**" "He can even make the

proposed neutron bomb for man to see, if He wants to.” The inquirer could still not understand the Omnipotence and Omni-Wisdom of God.

Staying inside a mountain would save a person. The nuclear drills of the 50's always bring this to people's attention. In a nuclear explosion a person is **consumed**, i.e. turned into minute particles of ash. This writer did not waiver then and will not now because this conclusion just came suddenly during the discourse and usually when such things happen, they are proven to be true. By the grace of God, this writer does not make things up. How was it proven to be true?

When this writer returned from the Philippines the same year, he was watching an episode on **Discovery Channel** about biblical archeology and **the subject of that episode was Sodom and Gomorrah**. The researcher found around the Dead Sea a big city-size area where the ground was burned **thirty feet deep (30 ft.)**. The researcher said that **only two places on earth** had similar ground incineration in size and damage - **Hiroshima and Nagasaki, the only two humanly occupied cities destroyed by nuclear blasts**. When I ordered the VHS of this show, they said that they ran out of them and had them backordered. They never informed me when the tapes became available again. They eventually removed this topic from their library.

WHAT SHOULD WE DO NOW?

Let us continue hearing the TLM daily even from a livestream webcast for the TLM embodies all that is needed to thank God, offer to Him Jesus in reparation for sins, salvation of souls and our well-being. It is the greatest prayer. Keep on praying the Holy Rosary and always wear your Brown Scapular with these sacramentals and armors, and we will always be safe.

If these denizens of the infernal abyss try another blasphemous and sacrilegious parody against God, let them be - **to be the objects of God's wrath**. For we might approach this situation soon: **'But thou shalt consider with thy eyes: and shalt see the reward of the wicked.'** [Psalms 90:8]
